

Declaration of Conformity

for EURO-LEDER GmbH & Co. KG

in the sense of the EG medicine product guideline No. 93/42, plant 7, EWG
in consideration of guideline 2007/47 EWG 09.07

for materials, which are used for the production of a medicine product, the medicine product law MPG requires the certificate of the safety of the assigned materials regarding

- Toxicology
- Carcinogenicity

Our products (see enclosed list) are conformal to the full extent with the requirements of the MPG.

Our products (see enclosed list) are free from toxicological precarious and carcinogenic contents of, EG carcinogenic amines from Azo-dyes.

All in this explanation and/or specified products, to which this explanation refers, are agreeing with the conformity appraisal procedure after appendix 7 in accordance with the regulations of the guidelines 93/42/EEC of the advice from 14 June 1993 over medicine products.

This explanation is valid until 31st of December 2020.

In the case of a change of the products, this explanation loses its validity.

Georgsmarienhütte, 2nd of January 2020
